11th April 2023

Dear Parents,
Greetings and best wishes from all at St. Joseph's College.

I write to inform you that because of the immense heat that we seem to be experiencing at the moment, it has been decided to change the timing of school. With effect from **Monday the 17th of April Classes will commence at 08:00 and terminate at 12:30.**

Dismissal for the different sections will be as follows:

Nursery A will commence at 08:00am and finish at 09:30 am
Nursery B will commence at 10:30 and finish at 12:00 noon

KG will be dismissed at 11.00 am

Classes 1 to 4 will be dismissed at 12:00 noon

Classes 5 to 12 will be dismissed at 12:30 pm.

This time schedule for classes will continue till the last day of school before the Summer Break (Wednesday the 17th of May 2023).

Please take note of the timings for dismissal and collect your child at the right time. It will be good if the children are not left standing in the sun for too long waiting for parents/guardians to come and pick them up.

Thank you.

Yours sincerely,

Br. A. F. Pinto cfc
